Safeguarding Newsletter

October 2024

Welcome to our first safeguarding newsletter for Academic Year 2024-2025

Safeguarding relates to many areas of life here at Cubitt Town Primary School

Which includes:

Attendance
Internet Safety (Home/School)
Children's Wellbeing
Children's Physical Health & Safety
Managing Medical Conditions
Relationships
Road Safety

Here at Cubitt Town Primary School, we know it is important to work with our parents/carers and other agencies that support schools in order to providea safe environment

We want our children to be aware of the risks that they may face and know how to respond to these safely.

Our curriculum gives our children opportunities to explore many of these issues equipping them with the right knowledge, understanding and tools to make safe choices
