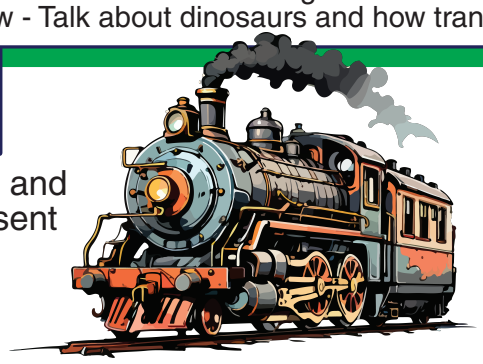
Seasons
How the weather changes

EYFS

Statement: Through understanding the world, EYFS begin to make sense of their own life story and family history. They comment upon familiar situations in the past and compare them to current stories. They begin to identify similarities and differences between things in the past and now.

- Seasons - Understand the effect of changing seasons
- Past and present - Talk about change from babies to now
- Old and new - Talk about dinosaurs and how transport has changed

Past and present



Old and new
