You Said...	We Did...
"We would like to raise money for people around the world who are suffering"	Ms Bruce appointed a committee of children to organise a sponsored fun run and they raised hundreds of pounds!
"Sometimes reading at home is hard as parents struggle to find the time."	We added more after school Reading Gladiator groups to give children the chance to read for pleasure with an adult.
"We would like more teachers sitting with us during lunchtime."	We encouraged five teachers each day to eat in the KS1 and KS2 hall with the children.
"We would love more Harry Potter books in Year Four."	We purchased Harry Potter box sets for the Year Four libraries.
"We think children should be more polite when they are getting their lunch in the hall."	We added sentence stems by the lunch stations in the upstairs and downstairs hall.
"We would love more chapter books to read with our partners."	We purchased class packs of great books like 'Wonder to read one between two in class.
"Please bring back oracy lunchtimes."	We reintroduced daily 'Talking at Lunchtime' activities to guide discussions in the hall.
"We really enjoy problems where there is more than one answer."	We have run staff meetings to train our teachers in how to plan exciting problem solving lessons.
"I find times tables tricky"	We have started a Times Table Club for children who need a bit of additional help.
