

WHISTLE BLOWING POLICY

APRIL 2022

Together we strive for excellence

INTRODUCTION

The staff and governors of Cubitt Town Primary School seek to run all aspects of school business and activity with full regard for high standards of conduct and integrity. In the event that members of school staff, parents, governors or the school community at large become aware of activities which give cause for concern, Cubitt Town Primary School has established the following whistleblowing policy, which acts as a framework to allow concerns to be raised confidentially and provides for a thorough and appropriate investigation of the matter to bring it to a satisfactory conclusion.

Throughout this policy, the term whistleblower denotes the person raising the concern of making the complaint. It is not meant in a pejorative sense and is entirely consistent with the terminology used by Lord Nolan as recommended in the Second Report of the Committee on Standards in Public Life: Local Spending Bodies published in May 1996.

Cubitt Town Primary School is committed to tackling fraud and other forms of malpractice and treats these issues seriously. Cubitt Town Primary School recognises that some concerns may be extremely sensitive and has therefore developed a system that allows for the confidential raising of concerns with the school environment but also has recourse to an external party outside the management structure of the school.

Cubitt Town Primary School is committed to creating a climate of trust and openness so that a person who has genuine concern or suspicion can raise the matter with full confidence that the matter will be appropriately considered and resolved.

The provisions of this policy apply to matters of suspected fraud and impropriety and not matters of more general grievance that would be dealt with under the Cubitt Town Primary School grievance procedures.

WHEN MIGHT THE WHISTLEBLOWING POLICY APPLY?

The type of activity or behaviour which Cubitt Town Primary School considers should be dealt with under this policy includes:

- Manipulation of accounting records and finances
- Inappropriate use of school assets or funds
- Decision-making for personal gain
- Any criminal activity
- Abuse of position
- Fraud and deceit
- Serious breaches of school procedures which may advantage a particular party (for example tampering with tender documentation, failure to register a personal interest, etc.,)

WHAT ACTION SHOULD THE WHISTLEBLOWER TAKE?

Cubitt Town Primary School encourages the whistleblower to raise the matter internally in the first instance to allow those school staff and governors in a position of responsibility and authority the opportunity to right the wrong and give an explanation for the behaviour or activity.

Cubitt Town Primary School has designated a number of individuals to specifically deal with such matters and the whistleblower is invited to decide which of those individuals would be the most appropriate person to deal with the matter.

NAME	POSITION	CONTACT DETAILS
Robyn Bruce	Headteacher	020 7987 4362/07545921536
Nicky Pear	Deputy Headteacher	0207 9874362
Dawn Coote	Business Manager	020 7987 4362

The whistleblower may prefer to raise the matter in person, by telephone or in written form marked private and confidential and addressed to one of the above named individuals. All matters will be treated in strict confidence and anonymity will be respected wherever possible.

Alternatively if the whistleblower considers the matter too serious or sensitive to raise within the internal environment of the school, the matter should be directed in the first instance to the London Borough of Tower Hamlets, Chief Internal Auditor on:

020 7364 5000.

The London Borough of Tower Hamlets has its own procedures for dealing with such matters and will ensure every effort to respect the confidentiality of the whistleblower. The LA will ensure relevant officers of the Department for Education and Employment are informed as appropriate.

In addition information and advice can be obtained from the charity Public Concern at Work. This charity offers free legal advice in certain circumstances to people concerned about serious malpractice at work. Their literature states that matters are handled in strict confidence and without obligation. Contact details for the charity are as follows:

HOW WILL THE MATTER BE PROGRESSED?

The individual(s) in receipt of the information or allegation (the investigating officer(s)) will carry out a preliminary investigation. This will seek to establish the facts of the matter and assess whether the concern has foundation and can be resolved internally. The initial assessment may identify the need to involve third parties to provide further information, advice or assistance, for example involvement of other members of school staff, legal or personnel advisors, the police, the Department for Education and Employment, the London Borough of Tower Hamlets.

Records will be kept of work undertaken and actions taken throughout the investigation. The investigating officer(s), possibly in conjunction with the governing body, will consider how best to report the findings and what corrective action needs to be taken. This may include some form of disciplinary action or third party referral such as the police.

The whistleblower will be informed of the results of the investigation and the action taken to address the matter. Depending on the nature of the concern or allegation and whether or not it has been substantiated, the matter will be reported to the governing body and the London Borough of Tower Hamlets.

RESPECTING CONFIDENTIALITY

Wherever possible Cubitt Town Primary School seeks to respect the confidentiality and anonymity of the whistleblower and will as far as possible protect him/her from reprisals.

Cubitt Town Primary School will not tolerate any attempt to victimise the whistleblower or attempts to prevent concerns being raised and will consider any necessary disciplinary or corrective action appropriate to the circumstances.

RAISING UNFOUNDED MALICIOUS CONCERNS

Individuals are encouraged to come forward in good faith with genuine concerns with the knowledge they will be taken seriously. If individuals raise malicious unfounded concerns or attempt to make mischief, this will also be taken seriously and may constitute a disciplinary offence or require some other form of penalty appropriate to the circumstances.

CONCLUSION

Existing good practice within Cubitt Town Primary School in terms of its systems or internal control both financial and non-financial and the external regulatory environment in which the school operates ensure that cases of suspected fraud or impropriety rarely occur. This whistleblowing policy is provided as a reference document to establish a framework within which issues can be raised confidentially internally and if necessary outside the management structure of the school. This document is a public commitment that concerns are taken seriously and will be actioned.

I understand and will abide by the Whistle Blowing Policy and accept that failure to do so may result in this document being referred to, if disciplinary matters arise against me.
